

Information for 2011-2012 NSW Manly Junior State Championship Regatta 2

26-27 November 2011

Avalon Sailing Club

Avalon Sailing Club invites all registered MJ sailors to participate in the 2nd round of the State Championships to be sailed on Pittwater.

Where is Avalon Sailing Club?

Avalon Sailing Club is located in the Old Wharf Reserve off Hudson Parade, Clareville, approximately 50 metres west of the intersection with Riverview Road.

Facilities:

The club has a large timber rigging deck, canteen, clubroom, toilets and change-rooms. Parking and unloading is limited, so please expect to be asked to park in the surrounding streets.

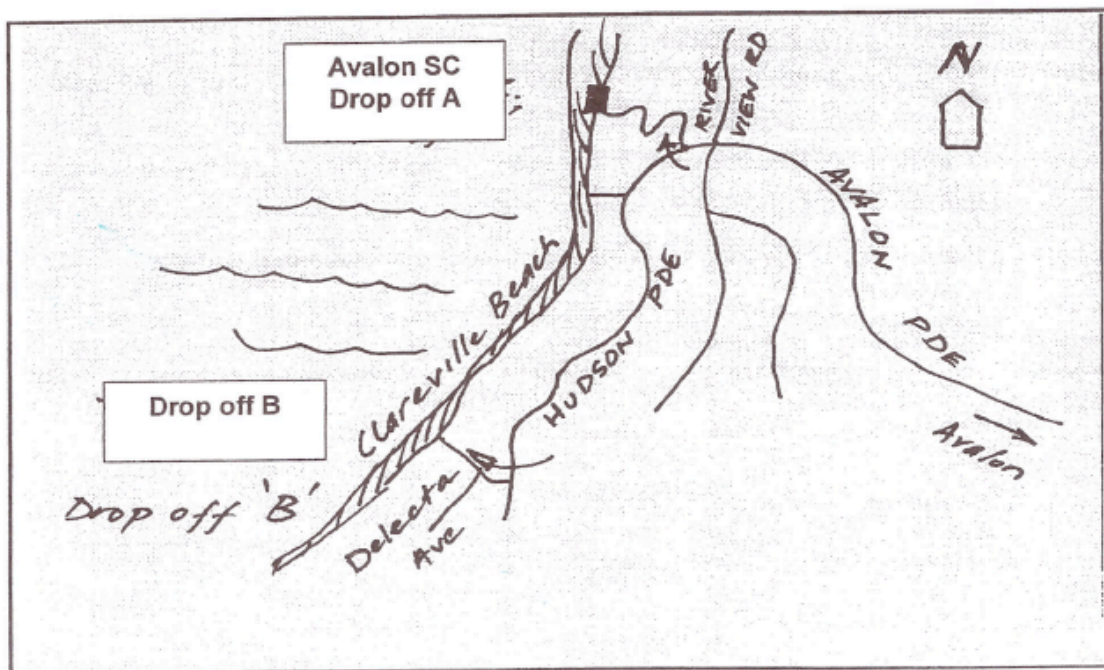

Drop off and Pick up:

Boats can be dropped off on Friday evening and stored on the deck. Gates should be open after 5 pm until 7 pm.

Saturday Nov. 26th at 7:30 AM there will be an ASC Marshall at the entrance to Old Wharf Reserve to guide and direct visitors. Boats arriving on cars with roof racks may be unloaded at the club (Drop off A) for storage and rigging on the deck.

Boats arriving on trailers can be unloaded at the public launching ramp in Delecta Ave (Drop off B).

The Old Wharf Road down to the club is unsuitable for trailer traffic and storage. Parking is available in Delecta Ave or the adjacent "pay and display" parking area or on Hudson Parade.

Please:

- Come prepared with some change for the meter, and
- Ensure access to private properties is respected at all times.

Loading after racing on Sunday will be the reverse procedure

Boat Racks - Support teams will need to transport their boat racks to the club by car or private boat from Clareville Beach for between race and overnight storage. Please clearly label your rack for easy identification in a crowd!

All competitors are expected to rig and keep their boat on the deck at the club for the duration of the regatta. The deck is secure. Rigging space is limited so competitors are asked to follow direction from the deck marshals, keep access lanes clear and be tolerant and courteous to others needs.

To avoid traffic jams at launch time please let boats near the side deck and pontoon lanes into the water first.

Competitors are asked to use the supplied water cans for washing down boats.

Overnight Storage - Competitors leaving boats overnight on the deck should take care to secure small items. The deck will be floodlit and gates locked.

Briefings:

Race briefings will be conducted in the upper level club room at ASC.

Official notices will be posted on the upper level notice board at the club.

Sign on and sign off will be mandatory for all competitors each day. The sign on and off sheets will be located in the vicinity of the Official Noticeboard.

Flag signals will be made from the Club flagmast located on the southern end of the Club's upper veranda

Canteen:

The canteen will be operating over the weekend, serving bread rolls, pies and sausage rolls and soft drinks, juice and bottled water. It will be possible to place "lunch bag" orders for competitors on the day.

Breakfast bacon & egg rolls will be available on the deck on Saturday and Sunday mornings.

Sausage sizzle on Saturday and Sunday after the racing.

Beer and wine will be on sale in the afternoon.

Presentation:

The Trophy Presentation for Round 1 of the States will be at approximately 9.30 AM Saturday prior to the race briefing.

Spectator Boats:

A string line should be available off the club for inflatables and small spectator boats to moor to. Deepwater swing moorings can possibly be arranged with plenty of notice.

Accommodation:

The following is the range of known accommodation within a reasonable distance of the club:

Caravan Parks

Terry Hills Motel and Caravan Park	94501781
Sydney Lakeside Holiday Park, Narrabeen	99137845
